Office of Global Services

To Whom It May Concern,

I'm writing to recommend Jay Sahasrabudhe. He was employed by the Office of Global Services at Northeastern University in the fall semester of 2020 as a Global Student Mentor and was my direct report. He was a pleasure to work with! I was immediately impressed by his enthusiasm and intuition. The functions of this mentoring program require mentors to take on management of their own group; Jay was very reliable due to his self-motivation. He made excellent contributions during our additional training/development sessions as well. I sincerely appreciated his feedback as we continue to develop this program. Overall, he is a sharp individual!

I can highly recommend Jay for the opportunity you have available. He has a bright future in project engineering!

If you need any additional information, please feel free to contact me.

Warm Regards,
